Product description

Writing is something people do almost every day. That's why it is essential to have a reliable pen for it. The Nash ballpoint with a stylish curvy design is such a pen. The pen is made of ABS plastic material that is hard and solid and thus offers a long life span. Thanks to the fast click action mechanism, the ballpoint pen is quick to use and has a soft grip, which reduces any tension on the writing surface. The Nash ballpoint pen is available in different colours and offers multiple possibilities for logo application.
